# Snap case

## Slim, lightweight protection

This high quality snap case - made for a wide range of phones - has a snug and precise fit. Made from durable shatterproof plastic that offers slim, lightweight protection for your device.

The case is manufactured from impact resistant polycarbonate. This material is extremely strong and lightweight. The phone cases are carefully constructed with moulds to precisely match the dimensions and contours of your device to ensure the best possible fit.

Our custom designs are printed edge to edge to an outstanding quality with vibrant colour. The case is also coated with a water-based polyurethane for added strength.

This case has clear, open ports for connectivity and supports bluetooth charging. Available in either matte or gloss finish.

- Precision fit
- Slim form factor
- Model specific casing
- Supports bluetooth charging
- Durable and shatterproof
- Matte or gloss finish
- REACH, RoHS and TUV Rheinland certified

## Models

- Apple
- Samsung
- Google
- Huawei
- LG

# Tough case

## Extra tough for added protection

The tough case is designed to be durable, featuring a dual layer material for extra protection. The outer coat is made from specialist impact resistant plastic which is extremely strong and lightweight. A black flexible silicone inner provides additional shock absorption.

This very high quality phone case is carefully constructed with moulds to precisely match the dimensions of the device to ensure the best possible fit. The outer case features high quality colour print that wraps around the edges of the case which has clear, open ports for connectivity and bluetooth charging.

This printed case looks neat and elegant whilst providing maximum protection against drops, falls and everyday wear and tear. Available in a matte or gloss finish.

- Dual layer case for extra protection
- Model specific casing for easy button access
- Clear, open ports for connectivity
- Supports bluetooth charging
- Durable, shatterproof outer
- Matte or gloss finish
- REACH, RoHS and TUV Rheinland certified

## Models

- Apple
- Samsung
- Google
- LG

# Clear case

## Lightweight co-mould protection

This clear phone case is manufactured for durability to protect from bumps and scratches. The co-mould case is made from thermoplastic polyurethane and crystal polycarbonate, making it sturdy, lightweight and very hard-wearing. The printed area covers the whole of the back face of the device.

This case has a slim form factor and is constructed to precisely match the dimensions of the device to ensure an exact fit. The case offers excellent shock absorption and scratch resistance to protect against everyday impact damage.

- Clear open ports for connectivity
- Slim form factor and lightweight
- Co-mould case
- Thermoplastic Polyurethane
- Crystal Polycarbonate
- REACH, RoHS and TUV Rheinland certified

## Models

- Apple
- Samsung
- Google
- Huawei

# Flexi case

## Flexible and durable protection

The Flexi cases are slimline and low profile, fitting tightly around your smartphone.

They are manufactured using a high quality TPU material which provides excellent shock absorption to protect against dropping and impact damage.

The case features very high quality colour print with a beautiful satin finish. The printed area is also protected with an additional clear coat layer.

The Flexi combines protectivity and durability with a stylish slim fit.

- Flexible and durable protective layer
- Slimline and low profile
- Excellent shock absorption
- REACH, RoHS and TUV Rheinland certified

## Models

- Apple
- Samsung

# Folio wallet case

## Store your cards and cash

A stylish way to carry business cards, IDs, credit cards and cash - all in the safety and convenience of your phone case.

The folio wallet case features two inside pockets for cards and a central pocket for notes. There is also a built-in stand so you can watch videos anywhere at any time.

The case is made from faux leather, PU material with a satin finish and a grey elastic fastening for maximum security. Print quality and finish is exceptional with vibrant, bright colours. The case is slim fitting so has minimal impact on the overall feel of your device.

- Clear open ports for connectivity
- Exceptional print quality and finish
- Stand feature for watching media
- Satin finish
- Minimal impact on overall device size
- REACH, RoHS and TUV Rheinland certified

## Models

- Apple
- Samsung

# Eco case

## Eco-friendly phone case

The eco case is a beautifully designed, eco-friendly case for the iPhone 11, Pro, Max and SE. Composed of a flexible yet tough 100% biodegradable bioplastic and bamboo fibre mix.

This cover has been five-foot drop tested for shock absorbance. There is a raised rim design to protect the screen. It is a scratch resistant, slimline cover that is smooth yet non-slip, to give a strong grip with a natural look and feel.

The case is free from environmentally damaging phthalates, BPA and cadmium. It is fully compostable. This cover combines uncompromising protection with a stunning aesthetic.

- **Enhanced durability and shock resistance**
- **Scratch resistant**
- **Clean and open ports for connectivity**
- **Five stunning pastel finishes**
- **100% biodegradable**

## Models

- **Apple iPhone 11, 12, Pro, Max and SE**
- **Samsung Galaxy S20**
